

## The eight inclusion promises As education professionals, we promise to:

- understand what you are good at, what you like doing and when you might need help
- listen to and act upon your ideas about how we can help you if you need it
- listen to and work with the people who know you best and who you trust
- make sure we are always progressing towards your goals and aspirations
- make sure all staff know the best way to support you, both in and out of lessons
- help you to get involved and be included in the activities you wish to participate in
- work together to set achievable goals that are important to you and that help you see how well you are doing
- help you to feel safe, secure, empowered and able to learn.
