

Guess my time sweepstake

Rally your supporters and get them to guess how quickly you'll do your challenge. Get them to write their guess in the green box below and their name underneath. Whether you're going the distance in a marathon or seeing how long it takes to scale a mountain, it's a great way to build up your fundraising target.

Don't forget to time yourself when you do your challenge.

A donation of £2 is suggested. If you guess right, you could win half the takings.

For a suggested £2 per guess, get everyone to write their name and their estimated time for your challenge. The winner keeps half the cash and the rest goes to the National Autistic Society to help transform the lives of the 700,000 autistic adults and children in the UK.
